

TIPS:

COMPLETING A NYS DREAM ACT APP

TIP 1: SUBMIT BOTH PARTS OF THE APPLICATIONS

- The NYS Dream Act (NYDA) app has two parts. The first part of the application only determines your eligibility to receive aid, while the second part awards you the financial aid
- Both parts of the application are available within the same portal. Be sure to complete both steps and submit!

***** Failure to complete both applications will result in no financial aid *****

TIP 2: BEWARE OF DEADLINES

- In January 2020, 20+ programs will become available to NYDA applications for tuition assistance. When applying to these programs it is important to note whether you:
 - **Qualify for the program:** Each program has its own eligibility criteria. **Don't just apply for TAP.**
 - **Application deadline:** Each application has its own deadline, separate from NYDA and the other awards. Some dates may coincide, but be mindful of the specific award(s) you are seeking aid from.
